Architectural Lighting

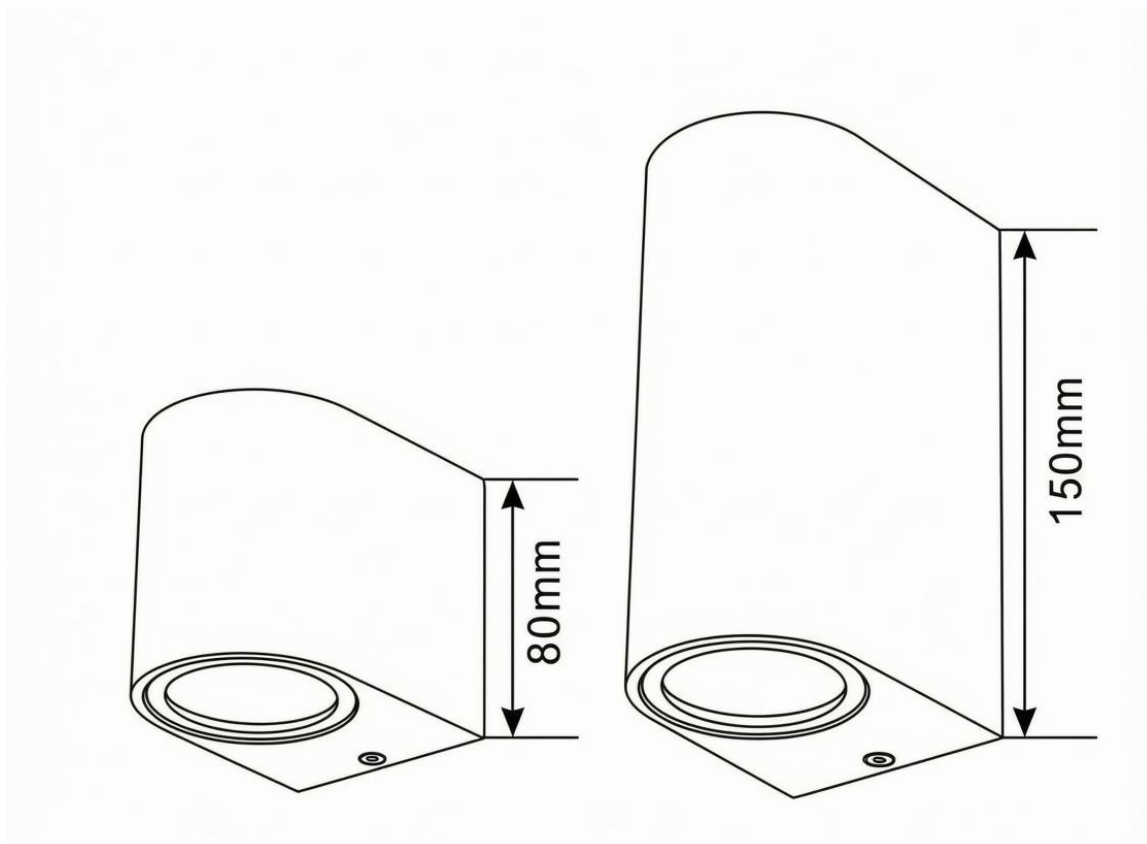

This modern outdoor wall light features a sleek, minimalist design with a distinctive curved rectangular shape. Available in two sizes, it offers versatile lighting for villas, courtyards, balconies, or corridors. While shown in matte black, it can be customized in any RAL color to perfectly match your exterior décor.

Constructed from durable, weather-resistant materials, it ensures reliable performance outdoors. The integrated LED source provides efficient illumination, while the clean lines and contemporary aesthetic make it an excellent choice for enhancing the architectural appeal of any modern home or commercial property.
