

GaSpot 3W

This garden spots for creating outdoor lighting environments. It is made of sturdy machined aluminum, powder coated. Comes with a bracket that can be fixed to wall or ground, or to a ground spear. The head can be rotated 60 degrees, allowing for flexible installation. Plug and play, delivered with 20cm outdoor cable and plug. The reflector provides 15 and 36-degree beam angle for spot or flood effects.

- 3W Power
- 50,000 hours
- Housing: Aluminum
- Optics: Tempered Glass
- Anti-glare visors
