

# SlimDuo 30

The **Slim Duo 30** features a robust **die-cast aluminum housing** for superior thermal management, measuring a mere **30mm thick**. This compact linear light delivers elegant, uniform up-and-down illumination. It creates a stunning, shadow-free floating effect on modern architectural walls, seamlessly blending minimalist aesthetics with high-performance engineering.

## Facts

- AC220V Input Voltage
- 3 sizes available
- 50,000 hours
- Housing: Aluminum
- Optics: Polycarbonate (PC)
- Ra>80

| Size       | Watt | Lumen | Color     | CCT    |
|------------|------|-------|-----------|--------|
| 300 x 90mm | 18W  | 800lm | White     | 2700K/ |
| 175 x 90mm | 12W  | 500lm | /Black    | 4000K/ |
| 115 x 90mm | 6W   | 270lm | /RAL Code | 6000K  |
